- Approximately 40 yards worsted weight yarn in Contrast Color (CC) you will need more if you choose to add a pom pom

- Size 7 circular needles and DPNs

Note

This pattern is designed for 1 size. It can be adapted by adding or removing stitches in groups of 4. This will change the number of repeats of bricks you may do in the charted portion and the crown decreases.

Pattern

With MC and size 6 needles cast on 88 stitches. Place marker, and join for working in the round, being careful not to twist.

K2, p2 around until your brim measures 1 1/2 inches.

Switch to size 7 needles and CC.
Knit 2 rounds.

Begin working chart.
Repeat columns 21 - 24 Seventeen times around.

On the rounds with a solid CC color carry the main color along, catching it every 3-4 stitches to make working the chart in the round easier.

Knit 2 rounds of CC color.

Switch to MC. Knit until work measures approximately 7 inches or length desired.
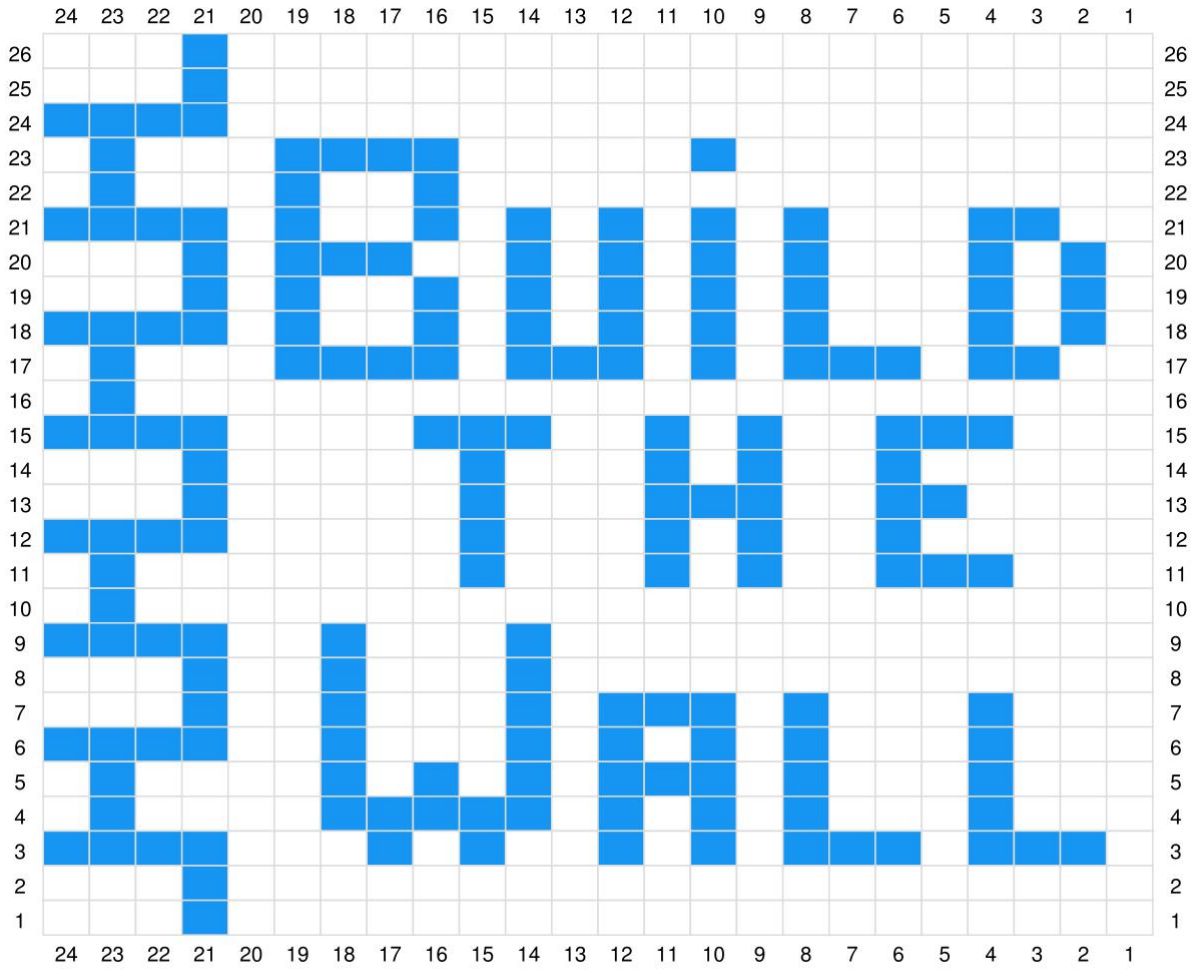

Begin decreasing.
Set up round, K9, k2tog, pm. Repeat around.

Knit
Knit to 2 stitches before marker, K2tog.

Repeat these 2 rounds until you have 8 stitches left, switch to DPNs when needed. Thread yarn through remaining stitches, tie off.
