By Deplorable Knitter

Materials

Size US 7 & 8 circular needles
Size 8 DPN's
Approximately 140 yds Main Color (MC)
Approximately 40 yds Contrasting Color (CC)
Stitch marker

Abbreviations

K - Knit
P - Purl
K2tog - knit 2 together
PM - Place Marker
SM - Slip Market

Gauge

23 stitches x 20 stitches = 4 inches

Measurements

Completed hat should be approximately 8 1/2 inches wide and 8 inches tall.

Pattern

With MC, cast on 96 stitches. Join for working in the round, being careful not to twist. Place Marker.

Work in a k2, p2 rib for 1 1/2 inches.

Knit 3 rows around.

Begin working chart. Repeat columns 25 - 42 three additional times. There should be a total of 4 sets of footprints.

After completing chart work in MC until hat measures 7 inches.

Begin decreasing.

K10, k2tog, pm x8

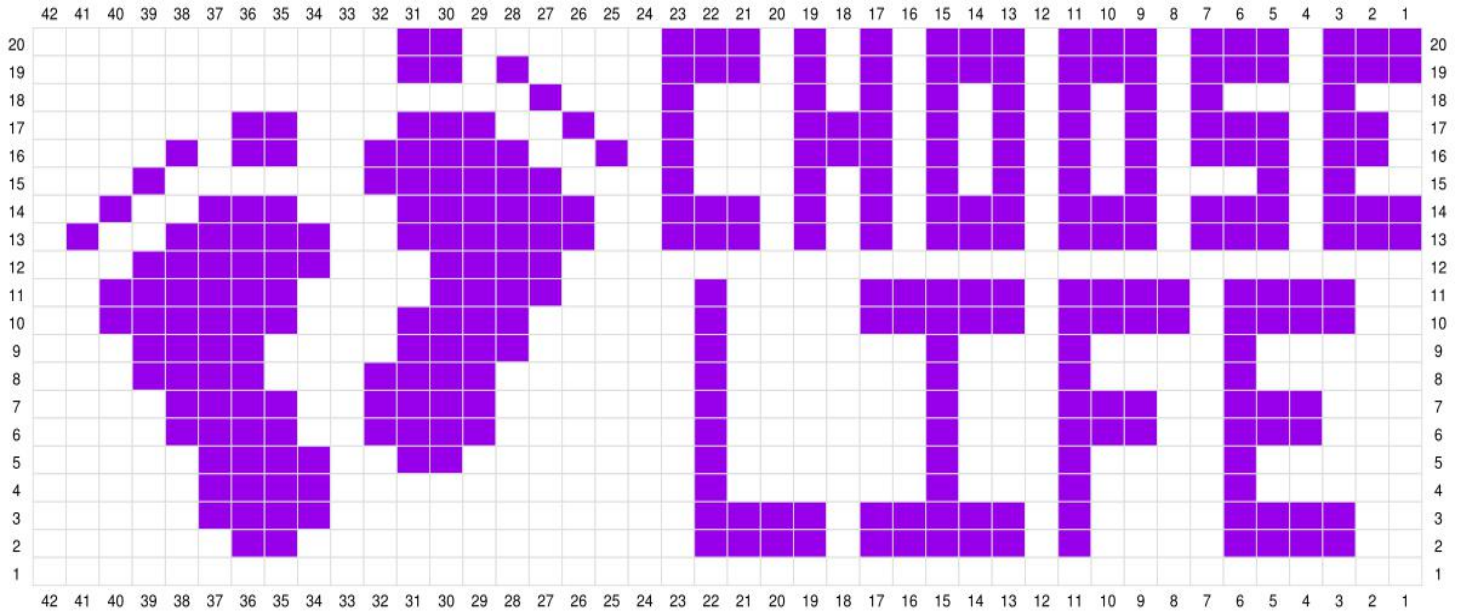

K9, k2tog, sm x8

Continue in this fashion until 8 stitches remain.

Cut yarn and thread through remaining stitches.
